Hot Water Bottles.

We don't claim that the Esquimo uses a hot water bottle but he would if we were running a drug store in Greenland; because we would call his attention to our complete line of these goods at bottom prices. We are liable to have some Arctic weather this winter—cold enough to make people think they're on an iceberg. It will be a good time then to think of our hot water bottles.

MARIETTA DAILY LEADER

FRIDAY, DEC. 4, 1896

PERSONAL AND LOCAL.

—Some ugly rumors are afloat in connection with the death of Miss Matilda Heilverding, which occurred last week at her home in Liberty township. Recently she left Marietta in apparent good health, but was soon taken ill and died in great agony. The case was investigated by Squire Mossburg, who caused a post mortem examination to be made by two physicians. While no formal report of the inquest has been made to the Court, it is known that poison was found in the young woman's stomach and that there were discovered evidence of a criminal operation. The investigation should be pursued to the end in order that the guilty may be brought to justice if a crime was committed, or that the rumors may be quieted.

—The total amount paid to the Treasurer of the Armenian Relief Fund is \$278.77. A few subscriptions made at the Rev. B. Fay Mills meeting have not yet been paid. It is important that these be handed W. W. Mills, at the First National Bank, by Saturday, as the funds will be remitted to Brown Brothers & Co., on that day.

—The "Isle of Cuba", Auditorium, Saturday.

—Mrs. Eliza Putnam and Mrs. Francis Putnam left on the steamer Kanawha for Charleston.

—Mr. W. P. English, Special Deputy Surveyor of the Port of Wheeling, was in the city Thursday inspecting the new Mississippi river towboat which is being equipped with machinery by the Marietta Manufacturing Company.

—Mrs. Lucy Broughton, of Madison, Ga., died Thursday morning at the residence of Mr. John O'Neal at Belpre, at the age of 58 years. She was taken ill at Belpre a few days since while on her way to this city to visit her sister, Mrs. Joseph O'Neal. Her death was caused by heart trouble. The remains were embalmed by Undertaker Fuller Thursday and will be shipped to Madison for interment.

—A case of pitiful destitution came to light today, through the death of a child. The death occurred on a houseboat floating down from Waverly. Diphtheria claimed as its victim the little daughter of the proprietor of the houseboat. His name could not be learned. Because of their destitute circumstances the parents were unable to procure medical aid or to properly feed the child. The whole family seemed half starved, and are in poor condition to fight off the dread disease to which they have been exposed. They floated on down to Letart to get a cheap coffin for their little one.—Parkersburg Journal.

—Mrs. C. W. Holz has just received an elegant and well selected stock of cut glass for Christmas trade. See it.

—Mr. E. R. Alderman leaves today on a business trip to Philadelphia and Washington.

—The regular semi-annual election of officers of Raynold Lodge, No. 82, K. of P., was held Thursday evening, with the following result: C. C. E. P. Eddy; V. C. E. Jones; P. C. S. Hart; M. of W. J. M. Gerken; M. of A. H. G. Glines; K. of R. and S. J. W. McCloy; M. of E. C. W. Jewney; M. of F. G. A. Bahlman; Trustee, J. C. Smith; Rep. to Grand Lodge, W. A. Bunch; Alternate, E. E. Dye. The solid vote of the Lodge was cast for Mr. L. W. Ellenwood, who is a candidate for Grand Inner Guard of the Grand Lodge of Ohio.

—The City Council will meet in adjourned session at the usual hour this evening for the purpose of accepting the Third street paving job from the contractor, Captain Berry. The work has been done in a first-class manner and is one of the best jobs ever done in the city.

—The bicycle thief in Ohio is having a hard time to make an honest living without being interfered with by the authorities. When Sheriff Dye placed Evert Barker in the penitentiary a few days ago he was followed inside the walls by a Sheriff from another county with a colored prisoner in custody. The colored man had been sent up for the same offense as Barker—stealing a wheel. That two prisoners from different counties should enter the great reformatory institution at the same time to serve out sentences for exactly the same offense was certainly an unusual occurrence.

—The play of "The Smugglers" given last evening by the Holmes and Wolford Company, was very good, and was received by an immense audience. The exhibition of the Vitascope was a highly enjoyable feature, and a wonderful thing, indeed, it proved to be. Tonight the company will present the play "Brand of Cain."

—In Common Pleas Court Thursday Mrs. Mary J. Fleming was granted a divorce from her husband, Walter Fleming, on the ground of ill treatment.

—China for decorating. All sorts of pretty things. See them at Mrs. C. W. Holz's, 286 Front St.

—Only 10, 20 and 30 cents to see the most wonderful machine in the world, Auditorium, Friday night.

—Mrs. D. F. Dufur is confined to her home on Third street by illness.

—The regular meeting of J. E. McCoy Lodge will be held on Friday evening, Dec. 4th, at the I. O. O. F. Lodge room.

—Hon. H. C. Van Voorhis will probably leave for Washington, Saturday night, in order to be in his place for the opening of congress next Monday morning. Mr. Van Voorhis will not take his family to Washington for this winter.—Zanesville Courier.

—Mr. Sam. Moore is in the city, in advance of the Melville Company, which will play in first-class repertoire all next week.

—Squire B. E. Guyton performed the ceremony Wednesday evening, the 2d, which united in the holy bond of matrimony Mr. Lee Knowlton of Marshfield, and Miss Lillie Mayer, of Reno.

—Mr. J. Payson Bradley, of the Boston Oil Company, received Thursday an appointment as Colonel on the Staff of the Governor of Massachusetts. The "Colonel's" friends, and they are a legion, are happy to extend their congratulations.

—A marvel of choice goods for Christmas at Mrs. C. W. Holz's, 286 Front St.

—Mrs. William Sprague and sister, Mrs. Flannegan, of Lowell, are visiting Mr. and Mrs. Henry Bacher, West Side.

—Constable J. H. Dye returned Thursday from Warner, having in custody Saloonkeeper Hoskins, who was arrested on the charge of assaulting Matthias Haas, of this city, notice of which appeared in Tuesday's Leader. Mr. Hoskins was arraigned before Squire Palmer and pleaded guilty to the charge.

The new well of the Krupp Oil Company at Eight Mile comes in a 25-barrel producer.

IN THE CAIRO FIELD.

The Central Production Company are drilling in a very important well on the Pugh farm about three miles southeast of Cairo. The well is for the Big Injan and should strike be made, it would be the means of redrilling the old salt field and also would open up a vast amount of new territory. The well at present is almost uncontrollable, owing to the gas pressure developed in the Keener sand.

The Lubbeck Oil Co's. No. 1 McKinney, which was started for the Gordon sand, is delayed by a fishing job, at a depth of 2,500 feet. Many of the operators are of the opinion that the well is now deeper than where the Gordon should be found, but the owners still have hopes of getting something.

The South Fork Oil Co's. well, on the Flynn lot, has been shut down on account of an injunction obtained by Mrs. McGregor against the drilling of the well, which is close to her house. The injunction was argued yesterday, at Harrisville, before Judge Jacobs, who required the oil company to give a bond of \$10,000 before they can go ahead with the well.—Parkersburg Journal.

Cure For Headaches.

As a remedy for all forms of Headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tonic to the bowels, and few cases long resist the use of this medicine. Try it once. Fifty cents and \$1.00 at W. H. Styer's Drug Store.

River News.

The following towboats failed to get out on the rise, and some of them had tows: The Joe Williams, W. W. O'Neill, Sam Brown, Tom Rees No. 2, Pacific No. 1, Hornet No. 3, Iron Age, Ironsides, Jim Wood, Daye Wood, Dick Fulton, Belle McGowan, Joe Walton, Valiant, Nellie Walton, I. N. Bunton.

The towboat John F. Walton owned by the Walton Coal Company, which has seen years of service, has been dismantled. The old hull is now on her way down the river and as soon as some repairs are made she will go into service at Point Pleasant, where she will be used as a wharfbow. All her machinery was taken off. The Ohio is falling quite rapidly, but there is still a barge stage for the towboats.

The Discovery Saved His Life.

Mr. G. Calouette, Druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at W. H. Styer's Drug Store.

MOTHERS, DON'T SCOLD

Your Children--They Are Not to Blame--try to Help Them.

Many a mother on reading this will appreciate the boon the information will bring. Thousands of children have been scolded time and again for a so-called habit when they are not to blame. Wet beds have been the resting place of the little ones night after night and no amount of chiding or scolding could prevent a repetition. If mothers only knew their little boys and girls were not to blame--they cannot help it. It is not a habit; it is simply weak kidneys. At last a preparation has been found so gentle in its action that the youngest child can take it. We refer to Doan's Kidney Pills, and when the public know it there need be nothing but sweet, dry beds for the children and no more need for scolding. Read what a Springfield, Ohio, parent has to say about it. K. T. Bailey, cashier, United States Express Company, Springfield, says: "We have a little girl who is now six years of age. Ever since infancy (but it has been more marked of late years) she has been unable to retain the urine naturally. There seemed to be no power of retention. It was the same through the day and night. It occasioned us a great deal of worry, for in spite of different kinds of medicines which we used and professional treatment she became not a whit better. We could not take her anywhere with comfort and altogether were greatly concerned for her. Some physicians had expressed the opinion that she would have to outgrow it, but as she grew older there was no sign of improvement. Willing to do anything we at last were prevailed on to get some of Doan's Kidney Pills for her. There was a perceptible change during the use of the first box. The truth seemed to dawn upon her that control was needed. We got another box and she took them also now she is well. Retention and expulsion is properly regulated. She is looking better and thriving right along. The weight of care and trouble which the happy change has lifted off our minds is worth a great deal to me. Anyone wishing to know anything about this would be gladly told either by my wife or myself--any written endorsement of Doan's Kidney Pills could not, as far as I am concerned, be made strong enough."

Doan's Kidney Pills are sold for 50 cents per box or 6 boxes for \$2.50 by all dealers, or mailed on receipt of price by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
